The fieldings are, first, is it a fact of my labitation such annear as stated in the communication; second, is it true of all therein contained; third does my hair shift continue to be in good order and of natural color? To all I can and will at swar invariably yes. My hair is even better than in any stage of any life for forty years past, more soft thrifty; and better colored; the same is true of my whiskers, and the outly cause why it is not generally true is the follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, esking me if my hair still continues to be good; as there is so much fraud in the manufacture and sail of various compounds as we I as this, it has no doubt been basely initiated and been used, not only without any good furto absolute injury. I have not used any of your Pestoraive of my account for some months, and yet my hair is my lead or on my face; and to prove this fact. I send you a lock of my hair, taken off the past week. I received your favor of two quart bottles is summer for which I am very grateful: I gave it to my life. Summer for which I am very grateful: I gave it to my trienes and thereby induced them to try it, many were skepticle until after trial, and then purchased audused it with universal success.
